Subject: Request for considering the Postal Employees as COVID Warriors-reg.

Respected Sir,

Kind attention is invited that the Postal Service has been categorized as Essential Service by MHA, Govt. of India. Since beginning from 1<sup>st</sup> wave of Covid19 till the current wave, the Postal Employees throughout India have been rendering selfless service to the Common Men as frontline COVID Warriors.

As we know that the Department of Post has the largest network as one of Essential Service providers in the country and the Department/its Employees have come forward to stand with the Government, the administration & serving the common citizens in this tough situation.

The Department has kept opened all its 1.50 lakh post offices including 1.30 lakh post offices in rural areas to cater the needs of general public through its 5.00 lakh dedicated force i.e. Postal Employees and rendering different value added & public oriented services like delivery of medicines, medical equipments & other essential items as frontline warriors, some of Postal employees have become victims of Covid19 & sacrifice their lives during this pandemic situation.

In view of above, I humbly request to your good self to arrange to consider the Postal Employees as COVID Warriors and accord all due facilities & priorities to them. It will give a positive motivation to the employees, please.

We shall be highly thankful to you sir,

With warm regards,

Yours faithfully

  
General Secretary
